Street Guide

An alphabetical listing of streets in the community, numerically listing the residents and businesses at each address.

In this section, you will find:

- Who lives at a residential address.
- What business occupies a commercial address.

Residents and businesses whose address is not listed in the phone book will not appear in this section. They can be found listed numerically in the telephone key.

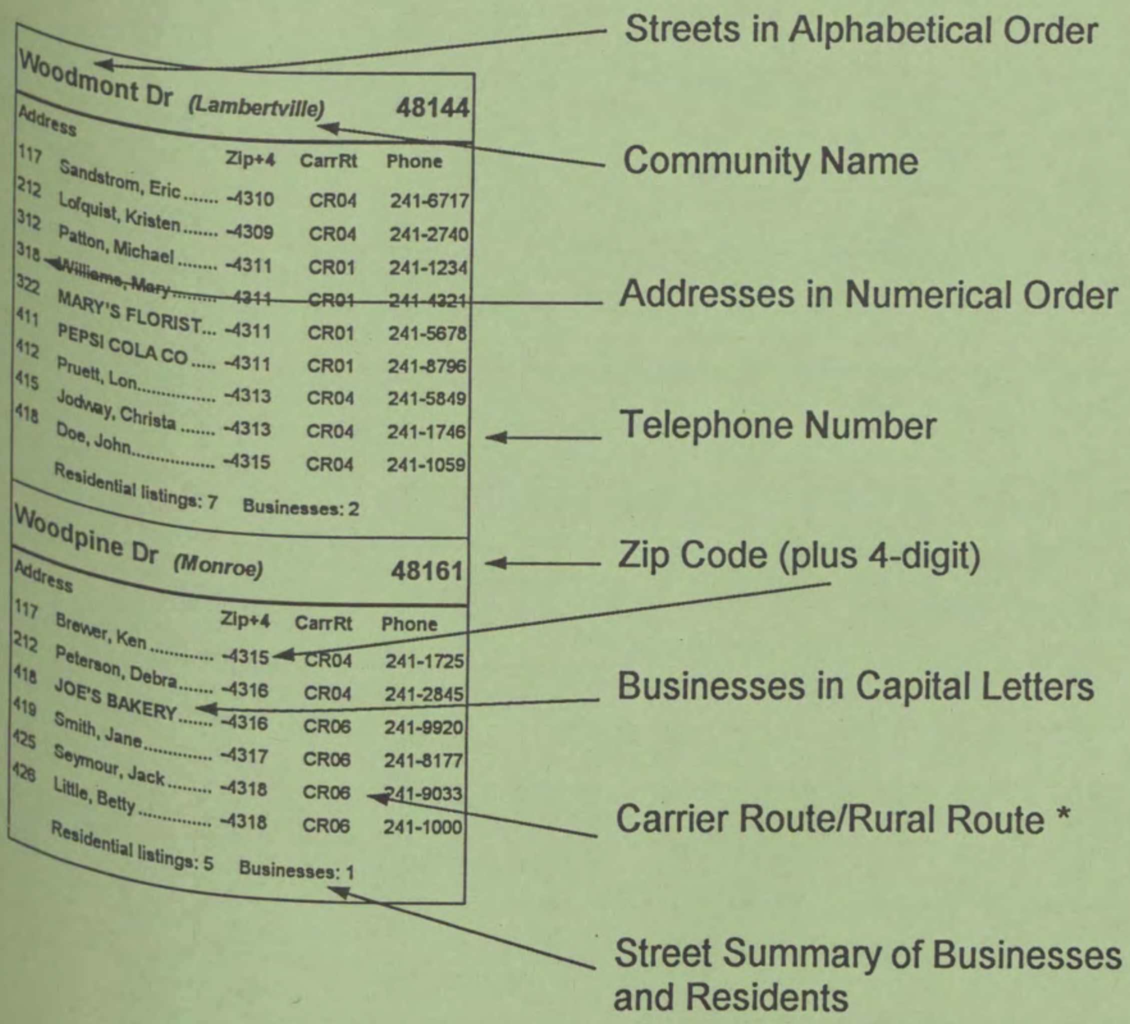
Why Use The Street Guide?

Don't overlook these profitable ways to benefit from your directory!

- **Find** complete mailing addresses when zip code is unknown.
- **Contact** delivery personnel or contractors on site.
- **Call** neighbors to reach customers without phones, or to find recent movers.
- **Verify** check and credit information by asking for neighbors' names.
- **Identify** correct spellings of customer names.
- **Locate** phone numbers with a known address.
- **Target** neighbors of satisfied customers.

TO INCREASE THE PROFITABILITY OF YOUR BUSINESS!

How To Read The Street Guide



* Turn to the Demographic Summary (last section) for additional information about each neighborhood.
